CRS-008 · Courses

Git for a small team worksheet

This is a self-study pack: lessons, slides, and exercises. It is not an accredited qualification and it does not include a tutor.

MOHAO digital product

A commit

Write three commit messages for work you did this week.

A branch

Name a branch for a real change.

A diff

List the behaviour, not the formatting.

Main

Write the rule your team will use.
