How to finish the Reference tracker

MOHAO digital product

Track who may be a reference, what they can speak to, and whether you have asked.

Replace the sample

1. Put your name and city in the heading. A full street address is unnecessary.
2. Replace each role with yours. Keep the shape: action and result.
3. Delete a skill you cannot discuss for five minutes.
4. A person who has not agreed is not a reference.
5. Do not include their personal phone in a file you might forward by mistake. Ask how they want to be contacted.

Before you send

- The file name is YourName-Role.pdf.
- A person who does not know you can see the target role in the first three lines.
- You can defend every number in an interview.

The employment history in this file is fictional sample text. Replace every line before you send it. This kit does not guarantee interviews.
