How to finish the Internship application kit

MOHAO digital product

An internship CV and the email that asks for a specific team.

Replace the sample

1. Put your name and city in the heading. A full street address is unnecessary.
2. Replace each role with yours. Keep the shape: action and result.
3. Delete a skill you cannot discuss for five minutes.
4. Say if it is a requirement of your course.
5. Do not offer to work unpaid if you cannot afford to. Say the question plainly.

Before you send

- The file name is YourName-Role.pdf.
- A person who does not know you can see the target role in the first three lines.
- You can defend every number in an interview.

The employment history in this file is fictional sample text. Replace every line before you send it. This kit does not guarantee interviews.
