How to finish the Return-to-work CV kit

MOHAO digital product

A CV for someone returning after a break, with the break stated once and the recent proof stated clearly.

Replace the sample

1. Put your name and city in the heading. A full street address is unnecessary.
2. Replace each role with yours. Keep the shape: action and result.
3. Delete a skill you cannot discuss for five minutes.
4. You do not owe a medical story.
5. A recent small piece of work is enough to show currency.

Before you send

- The file name is YourName-Role.pdf.
- A person who does not know you can see the target role in the first three lines.
- You can defend every number in an interview.

The employment history in this file is fictional sample text. Replace every line before you send it. This kit does not guarantee interviews.
